Dear Sue

**Southwark former fire station site**

The Mayoral Directions of 26 March 2015 (MD1486) and of 27 April 2015 (MD1497), the letter sent on behalf of the then Mayor on 18 May 2015 to the London Fire and Emergency Planning Authority (LFEPA) and the letters sent on behalf of the current Mayor on 9 September 2016 and 5 October 2017 to LFEPA all related to the disposal of the former fire station site at Southwark to Hadston.

You will be aware that the London Borough of Southwark granted planning permission to the proposed scheme on 30 January 2018 and that the matter is now to be referred to the Mayor for a planning decision.

It is therefore appropriate to extend the long stop date for satisfactory planning permission for the scheme by a further four months from the current deadline of 31 March 2018 to a new deadline of 31 July 2018.

This letter achieves that administrative amendment to the above directions and letters and is in keeping with the provisions set out in the GLA's Scheme of Delegation.

Yours sincerely,

**Tom Middleton**
